

29th Annual Campbell County 4-H Sewing Conference

📖 The structure of the Sewing Conference reflects our hope to make the days flow more smoothly for both volunteers and sewers! With the guidance of Master Sewers, youth will receive assistance to work on sewing projects while gaining the skills to complete their project.

📖 All level A, A+, & B sewers will be required to choose from the approved patterns picked by the Fabric and Fashion Conference Committee in order to sew at the conference. The fabric may be picked by the member within the recommended fabric guidelines.

📖 All other members that are sewing at Conference must have their pattern and fabric pre-approved by the Fabric and Fashion Conference Committee.
