

4-H Livestock Sale Committee Educational Scholarships

4-H Livestock Sale Committee has decided to use 1% of the commission of the livestock sale to provide educational scholarships for members who have participated in the livestock sale. Any active member who participates in the livestock sale is eligible to apply for scholarships which are to be used for livestock clinics, training or camps. We will give as many \$150 scholarships out as we can to qualified members. Scholarships will be filled on a first-come first-serve basis. Training must be related to your livestock projects.
