

Shooting Sports Committee Meeting

November 23, 2020

Present: Kristi Nagy, Lori Abeggan, Chad Haley, Angela Schelhaas, Kirsten Martens, Mason Martens, Daniel Egbert, Levi VanKirk, Anna Merrell, Brian Winslow

VIA ZOOM

Acting President Kristi (Brian was here but in his mobile office) called the meeting to order at 6:32 pm – We have a new potential leader, Daniel Egbert, and so she asked us to introduce ourselves. Welcome Daniel!!!

Archer Complex Issues

- Kristi reported that she will be pushing the County Commissioners and Archer Complex to give us some answers. She spoke to someone that shoots with ROTC and they are letting 14 kids on the line at one time and we are only allowed 8 kids on at a time. Something is screwy there!!!
- Kristi gave us a run down of the numbers from the past 3 years and there has been a significant jump in the numbers. She is going to take these numbers to the commissioners to show the need for facility use.
- The Fair Board is going to allow the archery program to move to the dirt barn at the event center. YAY!!!! This will almost triple our shooting capacity for the West End.

Shooting Sports Education Poll

- Responses so far have been favorable towards
- Brian, Kirsten, and Mason are moving forward with becoming certified Hunter Education Educators for the 4H program
- They are still working on the Outdoor Skills certifications. Levi said he is willing to also be an Outdoor Skills Educator, if needed. Chad suggested that maybe we reach out to the Boy Scouts for resources and as teachers. Lori mentioned that she knows someone who is in Scouts – Kristi said he is a leader for Garrett Dolph's club – Lori will contact him and ask for his help with outdoor skills.

Inventory Query

- We are needing to look at inventory to see if Kevlar backers are ours as there has been some discussion from the other groups that used them as to who they belong to
- Troy Eberhardt purchased them with club money and approval
- They should be listed in the West End inventory – Kristi and Chad will dig into inventory and find answer
- Kirsten mentioned an app that she uses at work that she thinks will help us track inventory if we are interested – Sortly.com
- Kirsten will set up account and start using it to see how it will work
