Wyoming 4-H Southeast
Volunteer of the Year

Chad Haley
Laramie County

Chad is currently the President of the Laramie County 4-H Shooting Sports Committee, and the coach for Laramie County west side Archery. He also is a Range Commander at State Shoot for the Junior Archery line. Kristi Nagy states "A few years ago, our air rifle program was struggling to find space to practice. Chad was instrumental in helping to have the county's shooting range opened for 4-H youth on a day the range is closed to the public. 4-H coaches are given a swipe badge to enter the locked facility, and youth have limited access to the live fire range. Chad's passion and dedication to our program helped make this change possible. Chad's dedication to youth in Laramie County is amazing. Thanks so much for your dedication to our youth."

Sheila Roof

Outstanding
Lifetime
Volunteer

Sheila has been a Laramie County 4-H volunteer for 50 years! She is passionate about keeping 4-H alive in her community. Currently, she is a Sewing project leader and Club Leader for the Helpful Hands 4-H Club. Sheila is open to changing dynamics, but still maintains the structure and traditions of 4-H. She recruits both youth members and volunteer leaders at any opportunity.

Congratulations!

Wyoming Congressional Award

What's The Congressional Award program?

The Congressional Award program is an opportunity for you to celebrate your strengths, do what you love, and create a positive impact on your community in the process.

To earn your Award, you'll set personal goals in 4 categories - Voluntary Public Service, Personal Development, Physical Fitness, and Expedition/Exploration - and work toward them at your own pace.

The Wyoming Congressional Award Council will be cheering you on and providing support the while way, from helping you register and find an advisor, to giving you ideas for creative goals to pursue.

Visit

<https://wycongressionalaward.org/> for more information or contact Deb Dolph at debdolph@wyomed.org.

What's special about pursuing The Congressional Award in Wyoming?

- You'll get local encouragement and support from the Wyoming Congressional Award Council (WCAC) staff as you work toward the Award—and Wyoming is the only state to have a Council
- You'll be honored for your achievements at our annual state medalist ceremony
- You'll receive a \$1,000 scholarship when you earn your Gold medal
- You'll get to do group activities with other Wyoming Gold Medalists and guests (hosted by the WCAC staff and board) when we travel to the Gold Medalist Summit in Washington, D.C.

How to get started:

1 - Choose your advisor.

Think of an adult (not related to you) you admite. There's no training needed for them to be your advisor; all they need to do is say "yes" when you ask!

2 - Register online.

After paying your one-time registration fee of \$25, the rest of the program is free. (Need help covering the cost? No problem. Email us, and we'll get you all set!)

Join us in going **whole hog** in the fight against food insecurity in Wyoming!

2023 Fair to Fork participants and partners with Governor Mark Gordon

86,000 of our neighbors struggle with food insecurity. *Fair to Fork* is making a difference.

Sources of high-quality protein are notoriously expensive and difficult to procure for local food pantries, but we can help. Wyoming Hunger Initiative's *Fair to Fork* program will purchase one secondary hog — through a lottery selection — from every county in Wyoming. **Visit with your local 4-H educator or FFA advisor to learn more!**

Join us. It's as easy as 1-2-3!

- 1 Sign up for the lottery through your local University of Wyoming Extension Office or **scan the QR code**.
- 2 If you are selected, your hog will be purchased for \$500. It will then be processed (at no cost to you) by a participating USDA or state-licensed facility, then donated to a local anti-hunger organization of your choice in your community.
- 3 Come to the Wyoming State Fair to be recognized by Governor Mark Gordon and First Lady Jennie Gordon!

THE BLUE & GREEN CHALLENGE

Wyoming Legislation has launched a match funding challenge for the Wyoming State Fair Endowment. If we can raise \$500,000 by June 1, 2024, they will give us \$500,000. To meet this goal we need your help! We have already launched a Text2Give donation option and hosted a Fundraising concert but there is still much to do!

Some 4-H Clubs and FFA Chapters are joining forces with us to help meet this goal. We've crafted a fun and unique way for them to participate, and their hard work will be handsomely rewarded. The club or chapter that raises the most funds will receive an exclusive first pick of our exciting rewards. We are immensely grateful to Wyoming FFA & 4-H for their invaluable support and dedication to the Wyoming State Fair's vibrant future.

For more details or to join this campaign, please reach out to Rindy West. Your involvement is crucial in securing the future of the Wyoming State Fair. Together, we can make this happen! Thank you for supporting the WSF Endowment Campaign!

Counseling Access for Wyoming Ag

The past few years have been demanding. Especially for our Wyoming producers.

Align is partnering with the Wyoming Department of Agriculture to provide vouchers for up to six counseling sessions for individuals working in agriculture, rodeo, and/or farming communities.

Depression, anxiety, and other trauma-related symptoms are common responses during a stressful time such as a global pandemic. You are not alone. Asking for help, seeking support, resources, education, and simply reaching out are positive steps to take to deal with the overwhelming uncertainty that our agriculture, rodeo, and farming community are faced with every day.

Counseling Voucher Instructions

- Reimbursements for counseling services are available until August 2024 or until grant funds are fully utilized.
- Mental health professionals licensed in Wyoming are eligible to submit for reimbursement on behalf of their client's working agriculture, rodeo, and/or farming communities.
- Please send invoices and a W9 to Sheila Ricley at sricley@thealignteam.org for reimbursement consideration.

Invoices must include:

Licensed Mental Health Professionals
First and Last Name

Cost per session (less any
insurance coverage)

Dates of Services

Client connection to eligible
industry

Invoices must not include any personal information for the client.

For more information for yourself or your counselor please email Sheila Ricley at sricley@thealignteam.org.

This work is supported by the Wyoming Department of Agriculture, Grant No. 2021-70035-35378 from the U.S. Dept of Agriculture, National Institute of Food & Agriculture.

2024 Volunteer Training Series

All trainings will be done via Zoom, and online learning classroom and run from 6:30—7:30 pm.
